

## HOT ASPHALT PAVING

Hot mix asphalt paving was concluded in the 2015 season with the paving of the intersection of Powhatan Dr and Navajo Dr.

## GRANTS UPDATE

CVSD is utilizing one NADC grant worker; P & Z has the other. We also are still utilizing one Experience Works grant worker.

## ROW & DITCHING

CVSD has switched gears from paving the streets to maintaining our ROW (right of ways) and clearing to maintain our ditches.

Proper ditch work saves our city money in damage to our roads. Poor drainage is the number one destroyer.

## MECHANIC'S CORNER

The CVSD Mechanics have completed 23 work orders, of these jobs, one was for CVPD & remainder were CVSD. Snow removal equipment is being tested and prepped for winter usage.

## FEMA

CVSD is still waiting on \$32,372 in FEMA payments.

## LIMBING & TRIMMING

In Cherokee Village, everything GROWS! CVSD has been on various streets throughout the city trimming limbs and clearing out overgrown vegetation, as well as mowing when weather and paving allows. CVSD has been utilizing our mulching attachment on our link belt excavator to trim back the right of ways in the Santa Fe addition of Cherokee Village.

CVSD received **62** work order requests and **completed 64** work orders.

## MOWING

CVSD is completing the final finish mowing the right of ways in the city, weather permitting.

## COMMUNITY SERVICE WORKERS AT CVSD

CVSD has two community service workers to do the finishing work on our limbing and trimming in the Santa Fe addition. This not only benefits the city, but the community service workers also.
