

ASPHALT REPAIR

Many asphalt pot hole/ chuck hole repairs are being done throughout the city.

PAVING

CVSD utilized a hot mix paving application to make repairs to Saginaw Cr. This is a permanent repair that is less expensive and more durable than cold mix patch utilized in the past.

ROW & EDGING

CVSD is working to maintain our ROW (right of ways) and road grader edging the roads in various areas of the city.

SIGNAGE

CVSD repaired, replaced and installed various signage throughout the city.

FEMA

CVSD is still awaiting a \$32,372 FEMA payment. No additional monies have been received for 2016.

MECHANIC'S CORNER

The CVSD Mechanics have completed 26 special request repair orders, of these jobs; one repair was for CVPD. The mechanics also replaced the rear main motor seal and engine motor mounts on the Case Super M backhoe, as well as a fuel tank repair for the Ford dump truck.

CVSD received **81** work order requests and **completed 93** work order requests.

CVSD 2016 FOCUS

CVSD is working on our 2016 focus on infrastructure preservation. Due to budget constraints, repairs are being selected that will help increase the longevity of our streets.
