

GRANTS UPDATE

CVSD has TWO WIOA Youth Grant workers. Welcome to CVSD Zach Shackelford and Dean Adams Jr. Raymond Newcomb, our Experience Works grant worker, is still working 18 hours per week.

ROW & DITCHING

CVSD is working to maintain our ROW (right of ways) and clearing to maintain our ditches.

We credit our infrastructure maintenance with the lack of damage from the heavy rains in late December 2015 and early January 2016.

FEMA

CVSD is still waiting on \$32,372 in FEMA payments. Representative Scott Baltz spoke to them in December, and they stated that our request was being processed and should receive it in January.

MECHANIC'S CORNER

The CVSD Mechanics have completed 17 repair orders, of these jobs; two repairs were for CVPD, as well as servicing snow plows & salt spreaders.

CVSD 2016 FOCUS

CVSD work for 2016 will be focused on infrastructure preservation.

CVSD received **66** work order requests and completed **70** work orders.

CBDG Grant

CVSD met with the representatives from White River Development to submit a grant application for a Community Development Block Grant to assist with road repairs in the city of Cherokee Village.

It was determined that we should not apply because our roads are in TOO GOOD CONDITION?!

SNOW

CVSD cleared snow, ice and sleet from the roadways three days in January.

LIMBING & TRIMMING

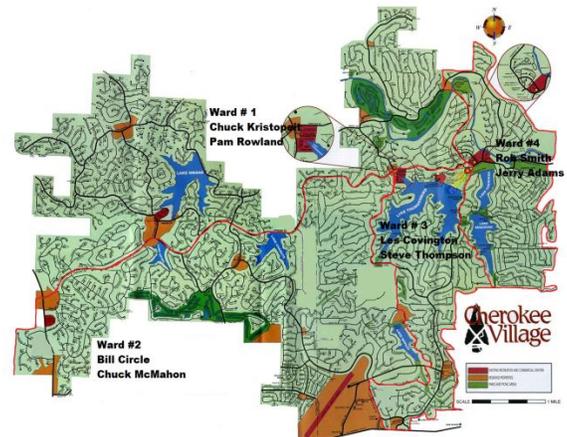

CVSD is still on various streets through out the city trimming limbs and clearing out overgrown vegetation. Yes, even in the cold weather.

WEBSITE

CVSD verified that all of the resolutions are up to date and functional on the website (1997-2016) . If you have not seen the site lately, please visit it at www.cherokeevillage.org. It is a wealth of information for the city.

January also saw the installation of a ward map to assist both residents and employees with a visual image for determining the wards.

February the ordinances will be updated and repaired, and following that will be various other city records. This will allow residents to print from the convenience of their own homes.

If you should need any corrections, or additions, please contact :

ARKANSAS STREETS GRANT 2016

CVSD has submitted a 2016 Arkansas Streets Grant Request to resurface Flathead Dr, Sequoyah Ridge Road and Tonganoxie Rd.
