

## ASPHALT REPAIR

Many asphalt pot hole/ chuck hole repairs are being done throughout the city.

## PAVING

CVSD utilized a hot mix paving application to make repairs to Cherokee Acres Dr. This is a permanent repair that is less expensive and more durable than methods used in the past.

## ROW & EDGING

CVSD is working to maintain our ROW (right of ways) and road grader edging the roads in various areas of the city.

## SIGNAGE

CVSD repaired, replaced and installed various signage through out the city. A "Road Subject to Flooding" sign was also installed on Allegheny Dr.

CVSD received **110** work order requests and **completed 103** work order requests.

## MECHANIC'S CORNER

The CVSD Mechanics have completed 15 special request repair orders, of these jobs; three oil changes were for CVPD and one mower repair for P & Z. The mechanics have been doing many tractor repairs.

## CVSD 2016 FOCUS

CVSD is working on our 2016 focus on infrastructure preservation. Due to budget constraints, repairs are being selected that will help increase the longevity of our streets.

## FEMA

CVSD has received the \$32,372 final FEMA payment for the 2011 disaster work. These funds paid in full the 2015 Backhoe; restored \$8000 to the budget and the balance was placed in the CVSD Strategic Reserve Fund.
