(d) Dog Pound/Animal Shelter

(1) It is hereby made the duty of the Mayor and City Council of Cherokee Village, Arkansas to provide a suitable place to be known and designated as "the Animal Shelter" to carry out the provisions of this Ordinance, provided, however, that the City Council may authorize the Mayor to contract with a privately owned facility for the care, control and disposition of animals which come into the possession of the A.C.O. pursuant to this Ordinance. Said contract shall be upon such terms and provisions as the City Council may prescribe and approve.

(2) It has been determined that privately owned animal shelters are so rare and unusual in the area of the City of Cherokee Village that it would be impracticable and useless to advertise for bids for an animal shelter. Therefore, pursuant to the provision of A.C.A. 14-58-303, the Mayor, with consent of the City Council, is hereby authorized to contract for the disposition of animals in the control of the A.C.O. with a privately operated facility, upon such terms and provisions as the City Council may prescribe, without advertising for bids therefore.

(e) Records

It shall be the duty of the A.C.O. to keep, or cause to be kept, accurate and detailed records of all Animal Control monies belonging to the City of Cherokee Village. Which records shall be open to inspection at reasonable times by such persons responsible for similar records of the City of Cherokee Village and shall be audited by the City of Cherokee Village annually in the same manner as other City records are audited.

(f) Investigation

For the purpose of discharging the duties imposed by this Ordinance and to enforce its provisions, the A.C.O. or any police or security officer of Cherokee Village or deputy with the County Sheriff's Department is empowered to come upon the property with reasonable cause upon which a dog or animal is kept or harbored, and to demand the exhibition by the owner of such animal of the license for such animal. If the A.C.O. should find a dog or animal running at-large or being a public nuisance as heretofore defined or being vicious as heretofore defined, the A.C.O. is hereby authorized and empowered to summon the owner or person having control of the animal, into the Municipal Court of the County wherein the offence occurred, for allowing such dog or animal to run at-large, be a public nuisance or a vicious animal.

SECTION 17: INTERFERENCE

No person shall interfere with, hinder or molest the animal control authority in the performance of its duty or seek to release any animal in the control of the animal control authority, except as herein provided.

SECTION 18: CONFLICTING ORDINANCES

All other ordinances of this City that are in conflict with this Ordinance are hereby repealed to the extent of such conflict.

SECTION 19: SEVERABILITY CLAUSE

If any part of this Ordinance shall be held to be invalid, such part shall be deemed severable and the invalidity thereof shall not affect the remaining parts of this Ordinance.

SECTION 20: EMERGENCY

Because of the large number of animals at-large, the complaints of residents of the City, the absence of any licensing requirements and the information, monitoring and control over rabies and other diseases and animals which are afforded by such licensing and regulations; an emergency is hereby declared to exist and this Ordinance being immediately necessary for the preservation of the public peace, health and safety, shall take effect and be in force from and after its adoption.
